FILED
U.S. DISTRICT COURT
DISTRICT OF DELAWARE

MOTION TO SEEK LEGAL ASSISTANCE FROM THE DISTRICT COURT OF
THE UNITED STATES.

Introduction:

On September 9, 2004, Richard Y. Obeng (Plaintiff) filed a pro se action against the Delaware Police (County/State), and the Federal Bureau of Investigations (the "FBI") collectively, the "defendants").

The defendants had since filed motions to dismiss the case I brought against them. The judge concurred with reasons spelt out in the motion to dismiss case.

Therefore, I will need legal counseling and assistance from the court to help me meet the requirements spelt out in the defendants previous motion to dismiss.

Thus, I request that the court assign me a competent lawyer in this regard.

Thank you

Sincerely,

Richard Obeng
